Q. What do you believe about Providence?

A. **Although in relation to the foreknowledge and decree of God, the first cause, all things come to pass immutably and infallibly, yet, by the same providence, He ordereth them to fall out according to the nature of second causes, either necessarily, freely, or contingently.**

God, in His ordinary providence, maketh use of means, yet is free to work without, above, and against them, at His pleasure.
